

Join us for a day by the Fango River! This is truly a hidden paradise.

Here you can spend your time in the crystal clear spring water, experience the thrill of jump from the surrounding cliffs, swim along the river and relax in the Corsican sun.

Explore the wonderful scenery and find your own perfect lunch spot while walking along the trails. This excursion is perfect for everyone, no matter if you are looking for some relaxing time in the sun or a day exploring the island of beauty!

Lunch pack is included in the price
